

MISSION STATEMENT AND GOALS

Region Two Mission Statement

Our way of life and our systems of government and education maintain that every American has the right and should have the opportunity to develop his/her abilities, skills, and natural endowments to the fullest potential. We are dedicated at Region Two to provide Career and Technical programs that make the realization of such a goal more than a dream.

Goals

Provide a safe environment

Display respect for individual differences

Model and develop problem-solving skills

Support and encourage life-long learning

Collaborate with business and community

Integrate new technology

Demonstrate openness to change

Promote continuing education for all age levels

Develop professional work attitudes
