

Code: ECB – Appendix A – Notification Application

Notification for Specific Pesticide Application

I am a parent, legal guardian, or staff member of Region Two and I would like to be notified before all specific pesticide applications are made at the school or on the school grounds except the following:

1. Non-volatile liquids injected into cracks, crevices, or wall voids;
2. Non-volatile baits, gels, pastes and granular materials placed in areas inaccessible to students;
3. Paints, stains, and wood preservatives;
4. Disinfectants used for routine cleaning;
5. Non-powered applications of ready-to-use, general-use pesticides to control or repel stinging or biting insects where there is an urgent need to protect the health or safety of a student, staff member, or other school occupant;
6. When school is not in session and will not be in session until the safe re-entry time specified on the pesticide label has elapsed; and
7. Indoor applications of a pesticide with no re-entry interval specified on its label but entry to the treated area is restricted for at least twenty-four (24) hours.
