STUDENT TESTING

Assessment shall be carried out to provide information on student abilities, achievements and educational needs.

Testing shall be designed as integral parts of the needs assessment and evaluation programs. Tests shall be utilized primarily for furnishing needed information to decision makers, administrators, instructors, parents and students. The needs of these various users shall be clearly identified and the testing program shall be limited to obtaining only that information which is necessary and useful.

The Director shall promulgate administrative regulations to implement this policy which will identify the standardized evaluation instruments and procedures used.
