

## **PROGRAM FOR ENGLISH LANGUAGE LEARNERS**

Region Two School of Applied Technology (“Region Two”) is committed to ensuring that English Language Learner (“ELL”) students to whom it provides services are able to access and participate meaningfully in its educational programs. Region Two acknowledges that as a Career and Technical Education center that receives students from neighboring school units, Region Two plays a role in the implementation of English Language Learner Plans (also known as Lau Plans) for ELL students that it services. Region Two will work with school districts sending students to Region Two to implement the sending school unit’s Lau Plan for those ELL students who attend Region Two, and will provide support services for ELL students as necessary pursuant to such plans. The Director (or his/her designee) shall be responsible for administering this policy and for developing procedure(s) for communicating with school units sending students to Region Two to ensure that ELL students are progressing according to their respective plans and to identify issues that may arise with respect to implementation of those plans.
